

ICON200

PREMIUM KRATOM EXTRACT

**NEW
PRODUCT!**

Premium Kratom Extract; formulated for those seeking a more potent experience. Each bottle contains 200mg of Mitragynine alkaloids derived through our advanced extraction process for optimal purity and potency.

The citrus flavor makes it an ideal choice for newcomers as well as more experienced Kratom enjoyers.

The ICON 200mg Kratom extract is an exceptional choice for those seeking natural botanical wellness solutions to support mood and energy levels.
